

Anderson Island Park & Recreation District

Resolution 2017-1

A resolution of the Board of Commissioners of the Anderson Island Park and Recreation District, Pierce County, Washington, providing for submission to voters of the District, at the primary election to be held August 1, 2017, of a proposition authorizing the levy of a general tax on taxable property within the District, as authorized in RCW 36.69.145 to provide funds required by the Park and Recreation District for maintenance and operation of facilities within the District for the years 2018-2023, said levy to be in the sum of \$0.50 per \$1000 of assessed valuation, to be collected for six consecutive years, beginning in 2018.

Whereas, the Anderson Island Park and Recreation District owns and operates facilities for the benefit of its residents and taxpayers; and

Whereas, the District is authorized by law, upon approval of the voters, to impose tax levies and to use tax revenues for the maintenance and operation of parks and recreational facilities; and

Whereas, the District does not now have, nor does it anticipate obtaining elsewhere, sufficient funds to implement its maintenance and operating programs beyond the year 2018; and

Whereas, in order for the District to obtain such funds to maintain and operate its facilities, an election should be held, as set forth in RCW 36.69.145, to authorize a property tax levy to raise funds for the District; **now therefore**

Be it resolved by the Board of Commissioners of the Anderson Island Park and Recreation District, as follows,

SECTION 1. For the purpose of raising revenues adequate to pay costs attributable to providing adequate park and recreation facilities in the District for the years 2018 through 2023 the District shall levy a general tax on taxable property within the District in the amount of \$0.50 per \$1000 of the true and fair assessed valuation of the District.
